Logo
Do you have a logo? Do you need a logo design?

Graphics
Do you need graphics made for your card? If so, do you have something in mind?

Website
Do have a business website that will be associated with this card? If so, what is the domain name?

Preferences

Do you have color, font or other preferences for this card?

Theme

What is the design/feel that you prefer for the card, if any? (Color, black-and-white, modern, vintage, feminine, masculine, soft, bold, whimsical, formal, etc.)

Examples

Do you have examples of cards you like? What do you like about them?

Audience

What is your most prevalent audience who would receive the card?

Printer
Do you have a printer in mind or is it okay with you for it to be set up on VistaPrint (this is what I have used most)?

Style
Do you have a particular style of business card in mind or do you need ideas (standard, matte, glossy, thin, thick, embossed, metallic or glitter accents, bi-fold, etc.)

Message
Anything else you want to discuss or let me know?
